

Prerequisites IBM cloud services

Date	09 November 2022
Team ID	PNT2022TMID29462
Project Name	Project – Smart solution for railways
Maximum Marks	4 Marks

The screenshot displays the IBM Cloud Dashboard in a web browser. The browser's address bar shows the URL <https://cloud.ibm.com>. The dashboard header includes the IBM Cloud logo, a search bar, and navigation links for Catalog, Manage, and Sandeep T's Account. The main content area is titled "Dashboard" and features a "For you" section with several quick-start guides. These guides include: "Build" (Explore IBM Cloud with this selection of easy starter tutorials and services), "Explore IBM Cloud Shell" (Try a command-driven approach for creating, developing, and deploying a web project, 2 min), "Visit the IBM Cloud catalog" (Explore our unique product catalog that contains 190+ services and software for your business solutions, 1 min), "Set up your IBM Cloud account" (Learn how to set up your IBM Cloud account, manage your account settings, organize resources, and control access to those resources, 10 min), "Build a web app with Watson Speech to Text" (Deploy a conversational interface compatible with any application, device, or channel, 15 min), "Get Started with Watson Studio" (Get started with using AI and Cloud Object Storage in 15 minutes, 2 hr), and "Build a VPC" (Upgrade to create a private cloud, 1 min). Below the "For you" section, there are three more panels: "Recent support cases" (View all), "Planned maintenance" (View all), and "IBM Cloud status" (View all). The "IBM Cloud status" panel shows a world map with a blue dot indicating the current status.
